M.A. IN EDUCATION

EXPERIENCE THE POWER OF CULTURA
M.A. IN EDUCATION

ABOUT THE NATIONAL HISPANIC UNIVERSITY
The National Hispanic University (NHU) was founded in 1981 by the late Dr. B. Roberto Cruz, who dedicated his life to creating equal higher education opportunities for Hispanics and others. For the past 30 years, the university has committed itself to Dr. Cruz's mission of supporting the continued success of the Hispanic community. With courses taught in English on campus and online, NHU strives to provide access to high-quality education to Hispanic students as well as those serving multicultural communities. The National Hispanic University is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC), www.wascsenior.org.

M.A. IN EDUCATION
Classrooms across the country are becoming more diverse, and it is more important than ever that educators like you are confident and effective in multicultural learning environments. Earning an M.A. in Education can help you create a culturally responsive classroom where students are motivated, inspired, and successful.

SPECIALIZATIONS
Choose the specialization that best meets your personal and professional goals:
- Special Education—Offered on-campus.
- Teaching and Learning—Offered both on-campus and completely online.

LEARN ON-CAMPUS OR ONLINE
Depending on your specialization, you can choose between an on-campus/online hybrid program or a program that’s offered completely online. Our on-campus and online programs are grounded in cultural respect and focus on the power of Familia™. You will have access to student support services like enrollment advising and tech support, designed to help you succeed at NHU.

THE BENEFITS OF LEARNING ONLINE
The NHU online learning experience features:
- An accessible, knowledgeable faculty that is trained to facilitate engaging, meaningful online learning experiences.
- A flexible online learning model that is designed to fit your busy schedule, which means you can participate in classes on a weekly basis whenever it’s convenient for you.
- A dynamic, high-quality curriculum.
- Interactive features and multimedia elements that bring course content to life.
- Resources and forums that allow you to learn from and support your fellow students.

TEACHING CREDENTIALS
If you are an educator in California, you may be interested in our teaching credential programs.

Education Specialist Credentials:
- Education Specialist Credential—Mild to Moderate
- Education Specialist Credential—Mild to Moderate Internship
- Clear Education Specialist Credential

NHU’S FAMILIA™
NHU fosters a learning environment that reflects the rich heritage and diversity of the Hispanic community. Founded with the vision that every student reaches his or her full potential and graduates from college, our university is grounded in cultural respect and focuses on the power of Familia. As an NHU student, you will find a personalized learning experience with caring academic and personal support that encourages your success.

COMPLETION REQUIREMENTS
You will complete 33 units of graduate credits in the M.A. in Education program, including 18 units of core courses and 15 units of specialization courses.

TUITION SAVINGS
You may be eligible to receive a special tuition reduction for your entire program when you enroll in the online M.A. in Education program with a specialization in Teaching and Learning.*

*This offer is only available to new students enrolling in the online M.A. in Education program with a specialization in Teaching and Learning starting on June 25, 2012. This offer may not be combined with any other offer. Students are still responsible for all other non-tuition costs, including but not limited to university, program, or lab fees.
