Office of Financial Aid Terms & Conditions

Introduction

National Hispanic University is certified by the U.S. Department of Education as being eligible to participate in the Pell Grant program, the Federal Supplemental Educational Opportunity Grant program, Federal Work Study and the Federal Direct Loan Programs.

The following section details the policies related to financial aid programs. Federal regulations that govern the administration of federal programs are subject to change. Notification of any change will be provided to all students prior to the effective date of the new or revised policy.

Federal Pell Grants

Federal Pell Grants are generally awarded to undergraduate students who have not yet earned a bachelor’s or professional degree. All recipients are limited to a lifetime eligibility of 6 years of full time Pell. The Department of Education, using a standard need-based formula established by Congress, determines eligibility. The maximum Pell Grant for the 2012-13 award year is $5,550. How much students receive depends on their expected family contribution, cost of attendance, whether they are enrolled full time or part time, and whether they are attending for a full academic year or less. Students may not receive Pell Grant funds from more than one school at a time.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant (FSEOG) program is for undergraduates with exceptional financial need. Pell Grant recipients with the lowest expected family contributions (EFC) will be considered first for a FSEOG. Just like Pell Grants, this grant does not have to be repaid.

Federal Work Study Program (FWS)

FWS is a campus-based program that provides job opportunities, both on and off campus, to financial aid eligible students as an aid to meeting the costs of post-secondary education. Students qualify by submitting a complete FAFSA and by being hired by a FWS eligible employer. Award amount is based on need and determined according to NHU’s packaging policy and available funds. FWS is a self-help aid, and does not need to be repaid.

Federal Direct Loans

Federal Direct Loans are available to undergraduate students as either subsidized or unsubsidized loans. Undergraduates may be eligible for one or the other, or a combination of both loan types. Graduate
students, as of July 1, 2012, are eligible only for unsubsidized loans. Students must be enrolled at least half-time to receive a Direct Loan. Federal Direct Loans borrowed at a prior institution may impact a student’s loan eligibility at National Hispanic University.

**Federal Direct Subsidized Loans** are need-based. The federal government pays the interest on the subsidized portion of the loan while the student is enrolled at least half-time in school. For subsidized loans first disbursed on or after July 1, 2012, the interest rate is 6.8%.

**Federal Direct Unsubsidized Loans** require that the student pay the interest while enrolled, unless the student arranges to postpone the interest payment by checking the appropriate box indicated on the promissory note. Students should be careful when choosing this option: It means that the interest will be capitalized (the accrued interest will be added to the principal amount), and that will increase the amount of the debt. The interest rates are 6.80% for undergraduates and graduate students.

Both the subsidized and unsubsidized loans have a 1% fee deducted from each disbursement of the loan.

Students typically will have a 6 month repayment grace period after graduating, leaving school, or dropping below half-time status. After this time, payments must be made. During the grace period, interest will not be charged on subsidized loans but will be charged on unsubsidized loans. Payments are usually due on a monthly basis.

Creditworthiness is not a requirement to obtain a Direct Loan. Under this program, students may borrow up to their maximum loan limit every award year (i.e. 12 months for semester-based programs). Loan funds can be used to cover direct education costs such as tuition and fees, room and board, as well as indirect costs such as travel to and from school, books, and other education-related expenses.

**Entrance Counseling**

*First-time* borrowers are required to complete Direct Loan Entrance Counseling prior to receiving the first disbursement of a Direct Loan. Counseling is completed online at Entrance Counseling and will help you understand your rights and obligations as a student loan borrower. Loan counseling must be completed before you can receive loan funds.

**Exit Counseling**

To help you manage your student loans after graduation, federal regulations also require that you complete exit loan counseling. Exit loan counseling is available online here at Exit Counseling or here http://www.nslds.ed.gov/ and should be completed:

- before graduation
- before transferring to another institution
- before withdrawal and leaves of absence
• if you are enrolled less than half time

Federal Student Loan Repayment Plans

There are six repayment plan options for Federal Direct and Stafford Loans. Some of the options carry a lower monthly payment than the Standard Repayment plan. Choosing these options extends the term
of the loan and increases the total amount of interest paid during the life of the loan. Learn about the various options, and your ability to move between plans by visiting https://studentloans.gov.

1. **Standard Repayment.** On standard repayment a graduate pays a fixed monthly amount for a loan term of up to 10 years. There is a $50 minimum monthly payment.

2. **Extended Repayment.** Extended repayment is like standard repayment, but allows a loan term of 12 to 30 years depending on the amount borrowed. Stretching out the payments over a longer term reduces the size of the monthly payment, but increases the total amount repaid during the life of the loan.

3. **Graduated Repayment.** Graduated repayment starts off with lower monthly payments, which gradually increase every two years. The loan term is 12 to 30 years, depending on the amount borrowed. The monthly payment must be at least $25 and will amount to at least the interest accruing.

4. **Income-Based Repayment.** A new plan started in 2009 for all federal loan borrowers. Income-based repayment extends the loan term for up to 25 years. The monthly amount is based on the borrower’s income and resets annually. It caps the monthly payments at a lower percentage of income than income contingent repayment. If income is low enough, the interest that accrues is waived for a fixed period of time. At the end of 25 years, any remaining balance on the loan will be cancelled and the amount cancelled is taxable.

5. **Income-Contingent Repayment.** Only for Direct Loans. Monthly payments are based on the borrower’s income and the total amount of debt. Payments are adjusted each year as the borrower’s income changes. The loan term is up to 25 years. At the end of 25 years, the remaining balance on the loan will be cancelled and the amount cancelled is taxable. There is a $5 minimum monthly payment.

6. **Income-Sensitive Repayment.** You may qualify for income-sensitive repayment if you do not have any Direct Loans. This payment plan ties the monthly payment to a percentage of gross monthly income.

**Loan Deferments**

Under certain circumstances, an enrolled borrower is entitled to have the repayment of a loan deferred. During deferment, the borrower is not required to pay loan principal and interest on subsidized loans does not accrue. After the in-school deferment, the borrower may be entitled to one grace period of 6 consecutive months.

Students who have a valid social security number on file at National Hispanic University will have their enrollment here reported and updated monthly with the National Student Clearinghouse (NSC). The NSC communicates electronically with the federal and non-federal loan servicers to insure that students who remain enrolled maintain the in-school deferments for which they are eligible.

**National Hispanic University’s Policy:** Students who seek to defer repayment of their prior student loans and do not want to rely on the electronic exchange with the NSC must fill out forms to have their
enrollment status verified. Students must get the forms from their lender(s) and send them directly to National Hispanic University, Office of the Registrar, Attn: Loan Deferment, 650 S. Exeter Street, Baltimore, MD 21202; fax: 1-410-843-6416. At the top of the form, students should include their enrollment start date and the semester for which they are requesting an in-school deferment.

**Note:** Any deferment paperwork sent to National Hispanic’s registrar’s office for enrollment verification is forwarded to the National Student Clearinghouse on a weekly basis.

**Annual Loan Limits vs. Lifetime Aggregate Loan Limits**

**Annual Loan Limits** National Hispanic University defines its annual award year as Fall and Spring semesters. Students cannot exceed the annual Direct Loan maximums in the award year. Loans borrowed at a prior institution can impact your eligibility at National Hispanic University. NHU may ask you to provide additional information about prior loans in order to process new loans at National Hispanic University.

**Direct Subsidized Loans:** Undergraduate annual borrowing ranges from $3,500-$5,500 depending on year in school

**Direct Unsubsidized Loans:** Undergraduate annual borrowing ranges from $5,500-$12,500 depending on year in school and dependency status

Graduate student annual borrowing maximum: $20,500

**Lifetime Aggregate Loan Limits**

The federal government limits the aggregate amount of Federal Direct Loan that you can borrow in your lifetime. The lifetime aggregate limits for Direct Loans (Stafford and Direct) are as follows:

**Graduate students:** $138,500 combined (only $65,500 may be subsidized; includes amounts borrowed as an undergraduate student).

**Dependent undergraduate students:** $31,000 combined (only $23,000 may be subsidized).

**Independent undergraduate students:** $57,500 combined (only $23,000 may be subsidized).

As a student loan borrower, you are responsible for knowing the total amount of federal loans you have borrowed. Having sufficient remaining eligibility is important to a student’s ability to successfully complete their academic program. A summary of your federal loan debt is available via the National Student Loan Data System at [www.nslds.ed.gov](http://www.nslds.ed.gov).

**Exceeding Annual or Aggregate Loan Limits**
The Department of Education may indicate that you have inadvertently borrowed in excess of the Federal Direct Loan limits. For example, it is possible that a student was inadvertently allowed to borrow federal undergraduate loans in excess of undergraduate limits at a prior institution while not exceeding the graduate loan limits. Before National Hispanic University can award graduate level Direct Loans to the student, the student must reaffirm the debt by either consolidating the prior loans that exceed the limits or obtaining a reaffirmation letter from the holder of the loan(s). Another example would be if a student was inadvertently allowed to exceed graduate loan limits at a prior institution. Before National Hispanic University can award Federal Graduate PLUS Loans, the student must reaffirm the debt by either consolidating the prior loans that exceed the limits or obtaining a reaffirmation letter from the holder of the loan(s).

**Federal Direct Graduate PLUS Loans**

Federal Graduate PLUS loans are available to **graduate students** enrolled at least half-time who do not have an adverse credit history. Students may borrow up to the cost of attendance minus any other aid. The total education cost may include tuition, living allowance, books and supplies, and transportation. The interest rate is 7.90% for Direct Graduate PLUS Loans. Loans carry a fee of up to 4% that may be deducted from the loan disbursement. Students can defer payments while in school, and there is no prepayment penalty. Interest accrues during in-school periods, and may be paid or added to the principal at repayment.

Graduate PLUS Loans and Parent PLUS Loans are processed based on Fall and Spring semesters as the award year. They are limited annually by the cost of attendance minus any financial aid received.

**Federal Direct Parent PLUS Loans**

Federal PLUS Loans are available to all parents of dependent **undergraduate** students regardless of income. Qualification is based solely on good credit. There are no debt-to-income ratio guidelines or employment verification requirements. Parents may borrow up to the total education cost for the year, minus any other financial aid that the student is receiving. The total education cost may include tuition and fees, room and board, books and supplies, transportation, and living allowance. The interest rate for Direct PLUS Loans is 7.90%. Loans carry a fee of up to 4% that may be deducted from the loan disbursement. PLUS loan repayment normally begins within 60 calendar days after the loan has been fully disbursed. In certain circumstances, parents may elect to repay the loan on a graduated repayment schedule, making interest-only payments (with the amount based on the term of the loan, at least $50 per month) for a portion of the repayment term.

**Department of Education Student Loan Ombudsman**

The NHU Office of Financial Aid is always ready to assist with any questions or concerns regarding your loans. If your loan issues cannot be resolved, the Department of Education’s Office of the Ombudsman for student loan issues is available. An Ombudsman resolves disputes from a neutral, independent viewpoint. The Federal Student Aid Ombudsman will informally research a borrower problem and suggest solutions to resolve the problem. Student borrowers can contact the department’s Office of the Ombudsman via the following:

**Online assistance:** [www.ombudsman.ed.gov](http://www.ombudsman.ed.gov)
**Private Education Loans**

**Comparing Private Loans and Federal Loans**

Private education loans may have significant disadvantages when compared with federal education loans. We strongly encourage you to first borrow any federal loans for which you are eligible. The chart below will help you in understanding the differences between Federal and Private Loan funds.

**Comparison Chart of Federal and Private Education Loans**

**Choosing a Private Loan**
When choosing a private education loan, you should compare the loan terms offered by several lenders in order to choose the best fit for your situation. A resource for finding active private education loan programs is http://www.finaid.org/loans/privateloan.phtml. When you choose your lender make sure that National Hispanic University is eligible for their loan programs.

Here are several points you should research when considering a private loan:

- What is the interest rate; is it fixed or variable; is the rate capped?
- What fees must be paid for this loan and when are they paid?
- How will I receive my loan funds?
- When does repayment begin and is there a grace period?
- What will my monthly payment be?
- What will be the total cost if I use the full repayment period?
- Are there penalties for early repayment?
- Are there deferment, forbearance or cancellation options?

Most private loan programs require our office to certify your eligibility before approving your loan. If you receive financial aid, you must notify our office of any private loans you borrow as it may affect your aid eligibility.

**Truth in Lending Act**

Under the Federal Truth in Lending Act (TILA), your lender must provide you with the following documents:

- **Self-Certification Form**
  You must complete this form and return it to the lender before receiving your first disbursement of loan funds.

- **Final Disclosure and Right-to-Cancel Period**
  After you sign your promissory note, the Final Disclosure Statement confirms the terms and conditions of your loan. At the time that this final disclosure is delivered, your "right-to-cancel" period begins. During this period of three to six days, you may cancel the loan by contacting the lender. The lender cannot release the first disbursement of your loan funds until the end of the right-to-cancel period.

**State Grant Aid**

Some states have grant programs that they permit their state residents to use to attend National Hispanic University. Students who are from states other than California can check here for information: http://wdcrobcopl01.ed.gov/Programs/EROD/org_list.cfm?category_ID=SHE

California residents may be eligible for the following:

**Cal Grants**
The Cal Grant Program is a state funded educational opportunity grant program which assists students in paying for the costs of postsecondary education. To be eligible students must submit a completed FAFSA and a Grade Point Average Verification form by March 2 of the year before the award year. Students must be US Citizens or eligible non-citizens and California residents. Students must not be in default of a student loan and must be meeting satisfactory academic progress as defined by the University.

**Cal Grant A (Entitlement and Competitive Awards)**
Cal Grant A Entitlement Awards provide grant funds to help pay for tuition and fees to California residents attending qualifying institutions. Entitlement awards are guaranteed for students with at least a 3.0 grade point average who meet need qualifications. Those who do not qualify for entitlement awards will be considered for competitive awards. Competitive awards are issued to students from middle-low income families. Cal Grant A is gift aid and does not have to be repaid.

**Cal Grant B (Entitlement and Competitive Awards)**
Grant B Entitlement Awards provide grant funds to assist students with the costs of postsecondary education. Grants are awarded to California residents attending qualified institutions. Entitlement awards are guaranteed for students with at least a 2.0 grade point average who meet need qualifications.

Those who do not qualify for entitlement awards will be considered for competitive awards. Competitive awards are awarded to students from low-income, disadvantaged backgrounds, and are used for the cost to access college (room & board, transportation, etc). Cal Grant B is gift aid and does not have to be repaid.

**Assumption Program of Loans for Education (APLE)**
Assumes up to $11,000 in loan debt for students pursuing a K-12 teaching career, in exchange for 4 years of teaching service. APLE is also available for undergraduate students who intend to pursue an initial teaching credential.

**Financial Aid Application Process**
Applying for federal financial assistance is a two-part process consisting of (1) application and notification of eligibility, and (2) completion of the Master Promissory Note and Entrance Counseling. This process takes approximately 2–4 weeks from the initial application through the receipt of funds. Students are strongly encouraged to begin the application process at least 8 weeks prior to the beginning of the start/renewal date to ensure the following deadlines are met.

The **Free Application for Federal Student Aid (FAFSA)** should be submitted at least 4 weeks prior to the student’s effective start date, as well as prior to each subsequent loan renewal date.

A signed award notice, fully executed master promissory note and entrance counseling must be on file.
in the financial aid office no later than 14 calendar days after the student is notified of the award.

- The 2012-13 FAFSA is for award periods that begin on or after July 1, 2012
- NHU strongly suggests that all students who are eligible and who filed a 2011 Federal Tax return use the IRS Data Retrieval tool when filling out their 2012-13 FAFSA on the Web. This process may expedite the verification and awarding process.
- **National Hispanic University’s Title IV code is 016968.**

**Financial Aid Deadlines**

The Office of Financial Aid processes awards on a rolling basis. It is recommended that students have a complete financial aid application at least 4 weeks prior to the start of a semester, but students must have a complete Financial Aid Application 30 days prior to the end of the semester in order for funds to be processed for that semester. A complete Financial Aid Application includes all documents required for the awarding and disbursement of funds. Students must also maintain all federal aid eligibility requirements for the entire semester.

The Office of Financial Aid (OFA) will continue to accept applications, offer awards and process disbursements in the last 30 days of the semester, but the OFA cannot be held responsible if funds are not able to disburse for the semester. Delays can occur that are outside of the control of the OFA. For example, a student may not be able to obtain timely third-party documentation, such as selective service letters, or overlapping financial aid forms. Required documents may include, but are not limited to:

- Proof of social security number
- Proof of legal name
- Proof of date of birth
- Proof of citizenship
- Proof of registration with the Selective Service
- IRS tax transcript (personal copies of tax returns are not accepted for 2012-2013)
- Copies of W-2 forms
- Documentation of SNAP benefits
- Documentation of Federal student loan default resolution
- Documentation of Federal student grant overpayment resolution

**Financial Aid Notifications**

The myFinaid web portal is the 24/7 source for financial aid information for students who complete the FAFSA. The Office of Financial Aid will notify the student when updates including award notification and changes are made to financial aid information on myFinaid: however, financial aid recipients are responsible for checking their myFinaid page periodically.

**Student Eligibility Requirements**
To receive aid from any of the federal student aid programs administered by National Hispanic University’s Office of Financial Aid, a student must meet all of the following criteria:

- Be a U.S. citizen or eligible non-citizen
- Have a high-school diploma or a GED certificate.
- Enroll in an eligible program as a regular student seeking a degree or eligible certificate. Students who are taking courses as non-degree students or who are enrolled in non-eligible certificate programs are not eligible for any federal or state grants or loans, or for private educational loan programs.
- Register (or have registered) with the Selective Service if required
- Have a valid Social Security number
- Meet satisfactory academic progress standards
- Not be in default on any federal student loan nor owe an overpayment on a federal student grant
- Not exceed the lifetime aggregate or annual loan limits without documentation that the debt has been reaffirmed.
- Please be advised that a conviction for any offense, during a period of enrollment for which a student is receiving Title IV financial aid, under any federal or state law involving the possession or sale of illegal drugs will result in the loss of eligibility for any Title IV grant, loan or work assistance.

**Attended another School? Overlapping Financial Aid**

Federal aid received at another institution can impact the amount of federal aid that you may receive at National Hispanic University. According to federal regulations, National Hispanic University participates in the federal transfer monitoring process whereby the U.S. Department of Education may take up to 90 days into the start of your first semester to notify National Hispanic University that you have federal aid awarded at another institution that overlaps into your enrollment dates at National Hispanic University.

The Office of Financial Aid may not be able to make an initial award offer to you or may have to cancel aid that has already been awarded if we receive information that you have applied for and/or received federal aid at another institution for an overlapping period. For example, if the loan period at your prior institution ends even one day after your starting semester here, you have an overlapping period and we must deduct aid received at the other institution from your annual eligibility here.

You may be asked by this office to have your prior institution complete an Overlapping Financial Aid Form to confirm your last date of attendance and disbursed loan amounts at the prior institution. To
prevent duplication of living allowance between schools we must remove the living allowance from your cost of attendance here during periods of overlap. You must make alternative arrangements for payment if you become ineligible for federal aid based on aid received at another institution.

**Verification Policy**

In accordance with U.S. Department of Education regulations, National Hispanic University is required to verify the accuracy of financial aid application information on selected students. NHU strongly suggests that all students who are eligible and who filed a 2011 Federal Tax return use the IRS Data Retrieval tool when filling out their 2012-13 FAFSA on the Web. This process may expedite the verification and awarding process.

Students who do not use the IRS Data Retrieval Tool or who change the data imported from the IRS may be selected for verification by the US Department of Education. Students may be randomly selected for verification or may be selected on the basis of predetermined criteria. Students selected for verification may be required to submit additional information.

Financial aid awards cannot be determined until verification is complete. Failure to complete the verification process by the end of the period of enrollment will result in a student’s inability to utilize federal financial assistance for that award year. Students intentionally misreporting information and/or altering documentation for the purpose of increasing aid eligibility or fraudulently obtaining federal funds will be reported to the U. S. Department of Education Office of the Inspector General or to local law enforcement officials.

**Financial Aid Annual Award Year Definition**

National Hispanic University defines the annual award year as Fall and Spring semesters.

**Enrollment Policy**

*Undergraduate Students*
Financial aid is offered based on the assumption that undergraduate students will be enrolled for 12 units per semester for the entire period of the award. When students enroll for fewer units in a semester, their aid may be adjusted at the end of the ‘add/drop’ period to reflect their current enrollment status. Audited courses do not count toward enrollment for financial aid eligibility.

*Graduate Students*
Financial aid is offered for most programs based on the assumption that students will be enrolled in at least 6 units per semester for the entire period of the award. When students enroll for fewer units in a semester, their aid may be adjusted at the end of the ‘add/drop’ period to reflect their current enrollment status. Audited courses do not count toward enrollment for financial aid eligibility.

**Enrollment Statuses for Financial Aid**

<td>3–5 units per semester</td>
</tr>
<tr>
<td>Less than half-time</td>
<td>1–5 units per semester</td>
<td>1–2 units per semester</td>
</tr>
</tbody>
</table>

**Study Abroad or at another institution**

Enrollment in certain programs at another school or study abroad approved for credit by National Hispanic may be considered enrollment at the university for the purpose of applying for assistance under the Federal Title IV financial aid programs.

Required to access federal Title IV aid is a consortium agreement between schools whereby the home school disburses federal aid for courses taken at a host school. The host school agrees not to disburse federal aid and to monitor the student's enrollment for the home school. Consortium agreements may be made between National Hispanic University (home school) and a host school if the student has been approved by National Hispanic University to take coursework at the host institution that will fully transfer toward the National Hispanic degree program. National Hispanic degree seeking students must submit a copy of the National Hispanic University “Permission to Take a Course at Another Institution” form that is signed by National Hispanic’s Admissions Office and a “Consortium Agreement” form signed by the host school's financial aid office to the Office of Financial Aid. Students must also meet all other federal eligibility requirements. If the student is approved for a consortium agreement here, National Hispanic University will disburse federal aid to the National Hispanic student account and the Bursar's Office will issue the refund to the student. The student is responsible for meeting payment deadlines set by the host school. National Hispanic University does not pay the host school on behalf of the student and National Hispanic University does not alter the financial aid disbursement schedule to meet deadlines set by the host school.

**Adjustments to Financial Aid**

Federal financial aid is awarded based on an estimate of the student’s eligibility. The Office of Financial Aid may have to cancel or reduce financial aid before or after disbursement, based on new information that becomes available after the time of awarding or disbursement. Examples of changes that would require adjustments to aid:
• Student does not begin attendance in any courses
• Pell recipient does not begin attendance in all courses of the semester
• Student withdraws from all courses in the semester (officially or unofficially)
• Receipt of other resources not reported at the time of awarding or disbursement
• Student becomes federally ineligible based on the receipt of updated information from the U.S. Department of Education.
• Student does not meet course participation requirements.

In some instances, a federal Return of Title IV (R2T4) calculation may be required. Students who enroll in only one course may require an adjustment of federal aid.

**Confirmation of Return Enrollment after Withdrawal from part of a semester**

Students who withdraw from a course in the first part of a semester, and remain registered for a course in the second part of a semester will be asked to confirm that they plan to return. Federal rules do not allow National Hispanic University to rely on your previous registration if you withdraw from the first course. If you indicate that you will return, and you do not return, a Return of Title IV funds calculation will be processed using the earlier withdrawal date.

**Withdrawal from a semester**

Students withdrawing from any or all courses in the semester prior to the completion of 60 percent of the quarter/semester may find that funds are owed to the university as a result of the R2T4. Students who stop engaging in academically related activities during the semester, without officially withdrawing from the courses, are subject to the R2T4 calculation. In such cases the last date of academically related activity, as determined by the university, is used as the withdrawal date for the semester.

Prior to withdrawing from all courses in the semester, it is suggested that students contact the Office of Financial Aid to determine the amount of federal aid that must be returned. Federal student aid may not cover all unpaid charges due to the University upon the student’s withdrawal.

**Leave of Absence**

A student who takes an approved leave of absence is considered, for financial aid purposes, to have withdrawn from the school. A leave of absence is approved if the following criteria are met:

• The student has made a written request for the leave of absence.
• The leave of absence does not exceed 180 calendar days.
• The student has had only one leave of absence in a 12-month period.

The federal Return of Title IV refund calculation applies to leaves of absence and withdrawals for recipients of Title IV aid.

These leave of absence requirements also affect students’ in-school status for the purposes of deferring payment of Federal Direct Loans. Students on an approved leave of absence are considered to be
enrolled less than half-time and are not eligible for an in-school deferment for their Federal Direct Loans. Students who take an unapproved leave of absence or fail to return to the school at the end of an approved leave of absence are no longer enrolled at the school and are not eligible for an in-school deferment of their loans.

**Overaward of Federal Aid**

The receipt of additional estimated financial assistance and/or a reduction in the cost of attendance that was not accounted for at the time of initial awarding may cause an overaward of federal funds (the term "overaward" refers to any estimated aid that exceeds a student's financial need and/or cost of attendance). Estimated financial assistance includes but is not limited to the following: tuition reductions, tuition waivers, scholarships, third party payments, and/or other resources. In such instances, the Office of Financial Aid will correct the overaward by adjusting the federal financial aid. Federal aid may be adjusted by reducing or reallocating funds prior to disbursement or returning funds to federal programs if disbursement has already occurred. Highest cost loans will be reduced before any reduction is made to scholarship or grant awards.

**Financial Aid Disbursement Process and Requests for Excess Funds**

Most financial aid is disbursed in two equal payments over the award period. Students in good standing may have any excess balance in their account returned to them to pay for indirect education expenses. Any time financial aid proceeds credited to a student’s account exceed direct charges the bursar's office will automatically forward the credit balance directly to the student, no later than 14 calendar days after the credit balance occurs.

Students are responsible for payment of tuition and fees incurred after a full credit balance refund has been released (e.g., added courses and fees). Credit balance refund distributions are made in accordance with applicable federal guidelines. Any outstanding debt to the University as a result of a required credit balance refund is the responsibility of the student.

Generally financial aid begins disbursing on the 10th day of start of the student’s enrollment and refunds are released to eligible students by day 26 of the semester (14 days after funds have disbursed to the student’s account). You must participate in your coursework to establish eligibility and remain eligible for federal aid. Failure to participate in academically related activity will result in loss of eligibility for all or part of the semester. If two sequential courses make up your semester and you do not register for the first half of the semester, federal aid cannot disburse until day 10 of the second half of the semester. Disbursements may be delayed if you are subject to academic progress review for a prior semester. If a Pell Grant award results in a credit balance, the student may request a book advance online:

[http://www.nhu.edu/pdf/Bursar_Forms/Book_Loan_Request_Form.pdf](http://www.nhu.edu/pdf/Bursar_Forms/Book_Loan_Request_Form.pdf)

**Federal Return of Title IV Funds**

Federal regulations require the Office of Financial Aid to apply a formula established by the U.S. Department of Education, entitled “Return of Title IV Aid,” (R2T4) to determine the amount of federal
financial aid a student has earned as of the student’s withdrawal date. The amount of the federal financial aid returned to federal aid programs is determined by the amount of time a student spends in academically related activity. After 60 percent of the semester has passed, students have earned 100 percent of the federal financial aid disbursed to them.

Students withdrawing from any courses in the term prior to the completion of 60% of the semester may find that funds are owed the university as a result of the R2T4. Other enrollment changes that may trigger an R2T4:

- Withdrawal to zero credits.
- For consecutive enrollment within a semester, withdrawal from an earlier course with no confirmation of return in a later course.
- For consecutive enrollment within a semester, dropping, not attending, or withdrawing from a later course, even after the completion of an earlier course.
- For consecutive enrollment, failure to participate in more than 60% of the semester along with the failure to earn a passing grade in the last course in the semester.
- Failure to participate in more than 60% of the semester along with failure to earn a passing grade in all courses attempted in the semester.
- Lack of active participation for at least 14 consecutive days in a semester.
- Official leave of absence during the semester

**Examples of Title IV Calculations**

Sam Silent is an undergraduate degree student in liberal studies. His semester begins on January 3 and ends on April 24. On February 14 (42 days into the semester), he drops his classes.

Sam's cost of attendance is as follows:

<table>
<thead>
<tr>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition (full-time 12 units)</td>
</tr>
<tr>
<td>Fees</td>
</tr>
<tr>
<td><strong>Total</strong></td>
</tr>
</tbody>
</table>

Sam's financial aid package consists of:

<table>
<thead>
<tr>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Direct Subsidized Loan</td>
</tr>
<tr>
<td>Direct Unsubsidized Loan</td>
</tr>
<tr>
<td><strong>Total</strong></td>
</tr>
</tbody>
</table>

**Amount refunded to Sam: $652**

As Sam has completed only 42 days of his semester, he earned 50 percent of the $4750. According to the federally mandated calculation, 50 percent of the unearned portion of his aid, equaling $2375 must be returned.
*Financial aid package is based on independent undergraduate student.

National Hispanic University is required to return the following:

<table>
<thead>
<tr>
<th></th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Direct Subsidized Loan</td>
<td>$875</td>
</tr>
<tr>
<td>Direct Unsubsidized Loan</td>
<td>$1500</td>
</tr>
<tr>
<td><strong>Total Sam owes to National Hispanic University</strong></td>
<td><strong>$2375</strong></td>
</tr>
</tbody>
</table>

Sam is not eligible to receive a tuition refund because he dropped his classes after the refund period. A collections hold is placed on Sam's account at the time the funds are returned to the government, which prevents Sam from registering for any additional classes, and receiving transcripts until he repays National Hispanic what he owes.

**Example 2**

Dan Smith is a graduate student in the master’s in education program. His semester begins Jan 3 and ends May 8. On March 12 (68 days into the semester), Dan accepts a full-time job and drops his classes.

Dan's cost of attendance is as follows:

<table>
<thead>
<tr>
<th></th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition (full-time 9 units)</td>
<td>$3213</td>
</tr>
<tr>
<td>Fees</td>
<td>$150</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$3363</strong></td>
</tr>
</tbody>
</table>

His financial aid package consists of:

<table>
<thead>
<tr>
<th></th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Direct Unsubsidized Loan</td>
<td>$4250</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$4250</strong></td>
</tr>
</tbody>
</table>

Based on Dan's attendance (61 percent of the semester), he has "earned" all of his financial aid for the semester and will not have to return any funds.

**Satisfactory Academic Progress Standards**

National Hispanic University’s satisfactory academic progress requirements to receive Title IV student financial aid comply with U.S. Department of Education regulations. These standards are intended to establish minimum, reasonable levels of advancement toward degree completion and to guard against abuse of federal financial aid programs. Satisfactory progress requirements for receipt of federal financial aid are separate and distinct from the university’s academic progress requirements for academic continuance.

Satisfactory academic progress for all students is reviewed after each period of enrollment. Students
receive written notification via e-mail to their National Hispanic University email account if they are placed on **financial aid warning**. Upon receiving this warning, a student has one period of enrollment to return to the requirements listed below. If the student does not meet the requirements, they may appeal for a period of financial aid **probation**. If the appeal is not granted students become ineligible for federal financial aid.

It is the student’s responsibility to know the requirements for meeting satisfactory academic progress. Failure to receive notification will not nullify a student’s financial aid status with National Hispanic University.

### Minimum Standard for Federal Financial Aid

<table>
<thead>
<tr>
<th>Program Type</th>
<th>Minimum Course Completion Rate</th>
<th>Minimum Cumulative GPA</th>
<th>Maximum Time Frame to Receive Federal Aid</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bachelor’s degree and Certificate in Translation and Interpretation</td>
<td>70%</td>
<td>2.0</td>
<td>192 financial aid attempted units</td>
</tr>
<tr>
<td>Master’s degree and Teacher Credential</td>
<td>70%</td>
<td>3.0</td>
<td>15 semesters</td>
</tr>
</tbody>
</table>

### Treatment of Courses and Units for Satisfactory Academic Progress for Financial Aid Eligibility

- **Course Repetitions:** Only the most recent grade is counted in the cumulative GPA, but the units from all attempts must be counted in the course completion rate and maximum time frame.

- **Drops:** Courses dropped before the end of the “add/drop” period are not included in the Financial Aid Satisfactory Progress calculations.

- **Incompletes:** Incomplete grades count as units attempted and not completed, but do not impact GPA.

- **Periods with No Financial Aid:** Financial aid progress requirements include all periods of enrollment including periods in which the student did not receive federal aid.

- **Second Program:** The maximum time frame will be reset for students who complete one program or degree at National Hispanic University and begin a subsequent program or degree.
• **Transfer Units:** All units accepted toward the National Hispanic University degree or programs are considered as both attempted and completed when calculating the Minimum Course Completion Rate and Maximum Time Frame.

• **Withdrawals:** Courses dropped after the “add/drop” period are considered to be attempted but not completed.

**Policy and Definitions**

**Appeal:** Occasionally, a student’s academic progress may be impacted by unusual circumstances that are beyond the student’s control. A student may appeal for an extension of financial aid if the student can document that unexpected, unusual, and temporary circumstances affected the student’s ability to progress at the required rate. See the “**Right to Appeal**” for details.

**Right to Appeal**

Occasionally, a student’s academic progress may be impacted by unusual circumstances that are beyond the student’s control. A student may appeal for an extension of financial aid after a period of Financial Aid Warning, if the student can document that unexpected, unusual, and temporary circumstances affected the student’s ability to progress at the required rate. Examples of such mitigating circumstances are a death in the immediate family, illness, or other significant life change.

• Students may appeal to the Office of Financial Aid no later than 15 calendar days following the end of the Financial Aid Warning period of enrollment.

• Students who wish to appeal must complete the **Financial Aid Academic Progress Appeal Form** and provide supporting documentation to the Office of Financial Aid for review.

• Failure to provide supporting documentation will result in an automatic denial.

• If the appeal is accepted, the student must meet the requirements outlined in the written approval of the appeal.

• A preexisting condition (a condition or illness that you had before the beginning any National Hispanic University program) is not cause for appeal unless there was an unexpected change in that condition.

• Students may not use the same circumstances in a subsequent appeal, although a student may submit an appeal for a future period of difficulty for different mitigating circumstances.

• Decisions by the Office of Financial Aid are final.
**Maximum Time Frame:** Federal financial aid eligibility expires without warning when the student reaches the maximum time frame or if the financial aid academic progress review makes it clear that the student cannot mathematically finish the current program within the maximum time frame.

- The maximum time frame will be reset for students completing a second or further degree at National Hispanic University.
- The maximum time frame for students who change programs without earning a National Hispanic University degree is cumulative for all programs attempted and is measured against the maximum time frame for the current program.
- The maximum time frame excludes semesters of non-enrollment and semesters in which all courses are dropped before the start of the semester or during the drop period.
- Financial aid eligibility for an academic program ceases as soon as all academic requirements for graduation have been met regardless of maximum time frame standing.

**Minimum Course Completion Rate:** A percentage calculated by dividing cumulative successfully completed units by total units attempted. For example, a student who has successfully completed 27 units at National Hispanic University out of a total of 40 attempted units at the university has a course completion rate of 67%. This rate includes units transferred in to National Hispanic.

**Minimum GPA: Cumulative:** The grade point average for all coursework pertaining to the current program of study.

**Minimum GPA: Period of Enrollment:** The grade point average for all courses attempted during the most recent period of enrollment.

**Period of Enrollment:** One semester.

**Status - Financial Aid Warning:** This status is assigned to a student who failed to make satisfactory academic progress during the most recent period of enrollment during which the student was in attendance. The student has one period of enrollment to return to standard during which the student is eligible for financial aid.

**Status - Financial Aid Probation:** This status is assigned to a student who failed to make satisfactory academic progress during a period of enrollment, failed to return to standards during one semester of Financial Aid Warning, completed a successful appeal for mitigating circumstances, and has eligibility for financial aid reinstated.

Financial Aid Probation will be for one period of enrollment or will be accompanied by an

**Academic Plan** to bring the student back to standard by a specified date if it is not reasonable to expect the student to return to standard during the next period of enrollment. An Academic Plan may be a course-by-course plan for degree completion, a specification for number of units
and/or grade requirements for particular periods of enrollment, and/or requirements for the student to get academic support or to use other academic resources. A student must comply with an Academic Plan in order to retain eligibility for financial aid.

**Status - Financial Aid Ineligibility:** This status is assigned to a student who failed to return to the required standards during the period of Financial Aid Warning. Students who do not complete a successful appeal, who do not return to standards during a single semester Financial Aid Probation, or who do not comply with an Academic Plan for an extended period of Financial Aid Probation will lose all federal financial aid eligibility. A student in Financial Aid Ineligibility status is not eligible for federal financial aid until the student returns to meeting the requirements. Simply sitting out a semester, paying cash, or changing academic programs will not return a student to satisfactory academic progress standards.

**Loss of Federal Financial Aid Eligibility**

Students who become ineligible to receive financial aid but remain in compliance with the academic progress standards for continuance in their program are not withdrawn from the program but must arrange for alternative payment with the Bursar by the appropriate tuition due date. Students may still be eligible for private educational loans if federal aid eligibility is lost.
